

The Diversity center would like to have an intern paid for by a grant from The R. Scott Hitt Foundation. If you are, or know of a graduate student interested in a paid internship, please refer to the information flyer. You can also contact the Executive Director of the Diversity Center – see information below. We have great talent here in the Monterey Bay Area, and there is a lot of work to be done. It would be great to take advantage of this opportunity.
