

J Street Santa Cruz - local meeting
At Temple Beth El
Thursday, February 4, 6:45 pm

Please join other TBE members at the inaugural meeting of the Pro-Israel - Pro-Peace Group. The program will feature live feed from Jeremy Ben-Ami, J Street founder and executive director. We will be watching at the same time as 1000's of people at other sites around the country. A light Israeli-style dinner will be served. You will leave the meeting being able to answer the question, "What is J Street?"
