

I hope everyone is enjoying the beginning of summer! I know that many of the youth in your congregations are already either involved in, or getting ready for some of the wonderful URJ summer offerings and I wish them all well.

Although summer has just begun, fall will be here in a flash and with fall comes the Fifth edition of the *RJ Insider Guide to College Life* - a wonderful resource for high school and college students.

The *Guide*, produced in partnership with Hillel: The Foundation for Jewish Campus Life, assists high school students in making their college choices through a Jewish lens and in finding funding; and helps college students in exploring their Jewish identity and coping with various challenges on campus. Orders (1-9 copies \$1.75 each; 10-99 copies \$1.25 each; 100+ copies \$.0.95 each) must be prepaid by July 1; post-publication copies will not be available. Visit <http://reformjudaismmag.org/subscribe/college/>.

Published this August/September by the Union for Reform Judaism, the *Guide* features all new "courses" (see the list of planned contents on the order form); an up-to-date chart showing the Top 60 schools Jews choose with information that Jewish students might wish to know about them (number and % of Jews, Jewish fraternities/sororities, services on campus, etc.); and the Top 20 schools ranked by percentage of Jewish population.

Wishing you some relaxation in the coming weeks!
