RECITALS

A. Temple Beth El in Aptos, California ("TBE") has established a Web-based family photo album ("Family Photo Website") to be used exclusively for members of TBE. TBE member Alan Miller will be doing much of the information processing associated with the Family Photo Website.

B. Only TBE members are authorized to access the Family Photo Website.

C. TBE members are encouraged to submit a digital photo of their family or have Alan Miller photograph the member's family.

D. If the Member(s) wish to participate in the Family Photo Website, they must complete this form, which authorizes TBE to post the photo on the Family Photo Website and releases TBE and its agents and related parties from any claim the Member(s) might have about the use of their photos.

For good and valuable consideration, receipt of which is hereby acknowledged, the Member(s) agree to the following terms and conditions.

AUTHORIZATION AND RELEASE

1. TBE and its agents are authorized to post photos of the Member(s) and their families on the Family Photo Website, provided TBE and its agents take reasonably prudent measures to ensure that only TBE members access the Family Photo Website, and that the photos are not used for any purpose other than strictly for the enjoyment of TBE members.

2. The Member(s) voluntarily participates in the Family Photo Website. The Member(s) understand that, despite the precautions of TBE and its agents, including Alan Miller, photos posted on the internet may sometimes be misused or used by third parties for purposes other than their intended purposes. Nevertheless, the Member(s) accept this risk, and agree on behalf of themselves and their spouses, partners, children and other family members, representatives, heirs, successors and assigns to unconditionally release, defend, indemnify and hold harmless TBE and its officers, directors, representatives, employees, agents, successors and assigns from and against all costs, claims or liabilities arising out of or relating to the Family Photo Website or TBE's posting of the Member(s)' photos on the Family Photo Website.
